| | |
|---|---|
| **Kendriya Vidyalaya Mhow, Mhow** | 2019 |
| 10th  |  CBSE  |  Percentage: **65.20 / 100** | |

## INTERNSHIPS

**AWS Academy**                                                24 Jun, 2024  - 07 Jul, 2024

AWS Academy Graduate

**Key Skills:** AWS  Cloud computing

Learn About Cloud Foundations

## PROJECTS

**Bharti Bhoyare Portfolio**                                   14 Sep, 2024  - 28 Sep, 2024

**Key Skills:** React.js  Tailwind CSS  Responsive Website  Git  Javascript

**Project Link:** https://bharti-portfolio.vercel.app/

**Diamond Price Forecasting**                                 12 Mar, 2024  - 21 Apr, 2024

**Mentor:** Prof. Arpit Deo  |  **Team Size:** 1

**Key Skills:** HTML  CSS  Javascript  Machine Learning  Data Analysis  Web API

**Project Link:** https://sparklepriceestimator.netlify.app/

The Diamond Pricing Forecasting tool utilizes advanced Random Forest Regression to accurately predict diamond values based on key attributes such as carat weight, cut, clarity, color, and depth. By analyzing complex relationships within a comprehensive dataset, the tool provides real-time valuations through an intuitive interface, empowering buyers, sellers, and investors to make informed decisions.

## ASSESSMENTS / CERTIFICATIONS

**Google Data Analytics**

**Key Skills:**

Data Analysis  Data Visualization  Data Cleansing  Data Collection  SQL  Tableau Software  R Programming

Rstudio  Data Calculations

**Youth Devlopment Module - TCSion**

**Key Skills:** Soft Skills

## CO-CURRICULAR ACTIVITIES

- Kho-Kho
- Badminton

## EXTRA CURRICULAR ACTIVITIES

- NSS volunteer, Culture Club- Dance
